

Bid Opportunities

Our current bid opportunities are listed below. Please note any contractor that is awarded a bid must produce proof of its certificate of insurance for worker's compensation for itself and any sub-contractors. Also, any contractor or sub-contractor must obtain a city business license. Both of these requirements must be completed prior to the start of work on the awarded project.

The City of York is seeking a qualified engineer/consultant to conduct its city-wide Water and Sewer Study. The Study will involve inventory, field surveys, data collection, rate studies, financial analyses, GIS mapping, and reporting on the condition of York's water and sewer systems. This project will be funded in part by the SC Rural Infrastructure Authority. As such, federal and state funding requirements will apply.

Please visit the following link for a preview of the Request for Proposals (RFP) for this project:

<https://tinyurl.com/rfpwsstudy>

[Addendum to the York Water & Sewer Study RFP for Engineering Services](#) - March 20, 2024

For the complete RFP, send a written request to: kfarrand [at] catawbacog.org ()

The City of York is an Equal Opportunity Employer and encourages proposals from small, minority, disadvantaged, women-owned, and Section 3 businesses.
