

Welcome to the City of York

The City of York, located in the western part of York County, is on the threshold of significant change. Much of this change is being driven by the rapid growth of the Charlotte Metro Area which has become the dominant urban, transportation, and economic hub of the Carolinas.

York is the County seat of York County and is positioned equidistant between the I-77 and I-85 corridors. We enjoy the intimate character of a small friendly community with a strong historical core and a traditional lifestyle that offers a desirable alternative to life in the larger metro areas.

Come visit our historic downtown district for a unique shopping and dining experience or spend an afternoon at one of our farm-fresh markets.

Whether you are a visitor, a new resident, or a business developer looking for new opportunities, the City of York welcomes you!
