

ORDINANCE 17-590

AN ORDINANCE AUTHORIZING AND ESTABLISHING AN ECONOMIC DEVELOPMENT INCENTIVE PROGRAM TO ENCOURAGE PRIVATE INVESTMENT IN THE INCENTIVE AREA OF THE CITY OF YORK; AND OTHER MATTERS RELATED THERETO.

WHEREAS, the City of York, South Carolina (the “*City*”) was created as a municipal corporation under the laws of the State of South Carolina (the “*State*”);

WHEREAS, the City is duly empowered to enact ordinances, not inconsistent with the laws or Constitution of the State of South Carolina, 1895, as amended, exercising its powers related to the expenditure of public funds for public purposes and those other powers incident to, and necessary for the accomplishment of, the City’s express authorization to levy certain taxes and fees;

WHEREAS, City Council of the City of York, the governing body of the City (the “*Council*”), has established as a matter of policy, through the City’s Comprehensive Plan and development of the City’s Gateway Corridor Overlay District, that fostering the development of commercial corridors and the revitalization and redevelopment of the City’s historic downtown (collectively, the “*Incentive Area*,” as further defined in Sec. 2-402 below) brings about positive economic, social and cultural impacts within the City and greatly enhances the quality of life of the City’s citizens;

WHEREAS, it is essential to the City’s efforts to foster development and revitalization within the Incentive Area that the City offer certain Incentives (as defined in Sec. 2-402 below) that will encourage private investment in the Incentive Area. The goals (the “*Goals*”) of the City in offering the Incentives are as follows:

- (a) to promote the construction of new buildings or the rehabilitation of existing buildings within the Incentive Area; and
- (b) to support the establishment of the categories of new businesses that the Council determines will (i) significantly increase the overall commercial activity within the Incentive Area, (ii) attract the City’s residents and tourists into the Incentive Area and (iii) increase property values within the City as a whole.

WHEREAS, while the Incentives may benefit the Incentive Recipients (as defined in Sec. 2-402 below), the primary beneficiary of the Incentives will be the City and its citizens who shall realize the following benefits (the “*Benefits*”):

- (a) increased property values within the Incentive Area and the City as a whole;
- (b) increased revenue from property taxes, business license fees and permit fees;

- (c) increased tourism and commercial activity within the Incentive Area and the City as a whole; and
- (d) the improvement of the character of the City by preserving historic buildings within the Incentive Area or promoting the construction of new buildings that are compatible with its historic character.

WHEREAS, the Incentives, as provided for in an Incentive Agreement (as defined herein), shall be structured in such a way that the value of the Benefits to the City will exceed their value to the Incentive Recipients; and

WHEREAS, the financial benefit of the Incentives to the Incentive Recipients will only be realized at such time as certain Benchmarks (as defined herein) are met or continue to be met. Should all the Benchmarks be accomplished, the City believes that there is a high probability that the Benefits will be realized by the City and that the value of the Benefits will exceed the value public funds expended on the Incentives.

NOW, THEREFORE, INCOUNCIL ASSEMBLED, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF YORK THAT:

Section 1. There is hereby enacted by the City, for the purposes discussed above, the *“Economic Development Incentive Program.”* Amendments, modifications and clarifications to the Economic Development Incentive Program or succeeding amendments, modifications or clarifications to Economic Development Incentive Program shall become effective if approved and enacted by the City. Prior to such effective date, the version of the Economic Development Incentive Program enacted by the terms hereof shall remain in full force and effect.

Section 2. The Economic Development Incentive Program shall be codified into the City’s Code of Ordinances. By and through the enactment of this ordinance, Article VI, entitled “Economic Development Incentive Program” shall be added to Chapter 2 “ADMINISTRATION” of the City’s Code of Ordinances. Chapter 2 “ADMINISTRATION”, Article VI “Economic Development Incentive Program” shall be added to the City’s Code of Ordinances as follows:

Sec. 2-400 – Title.

This ordinance shall be titled “Economic Development Incentive Program.”

Sec. 2-401 – Authority.

Subject to the realization of certain Benefits (as defined in Sec. 2-402 below), the Economic Development Incentive Program is enacted by the Council to meet its Goals (as defined in Sec. 2-402 below).

Sec. 2-402 - Definitions.

As used in this Article VI, unless the context shall otherwise require, the following terms shall have the following respective meanings:

“Benefits” means the value to the City of providing the Incentives, which generally includes: (a) increased property values within the Incentive Area and the City as a whole; (b) increased revenue from property taxes, business license fees and permit fees; (c) increased tourism and commercial activity within the Incentive Area and the City as a whole; and (d) the improvement of the character of the City by preserving historic buildings within the Incentive Area and promoting the construction of new buildings that are compatible with its historic character.

“Incentive Area” shall mean the area in which the Council has determined that the development and revitalization thereof is essential to preserving and improving the economy, society and culture of the City and enhancing the quality of life of the citizens thereof. The Incentive Area shall include all properties located in the Gateway Corridor Overlay District [Ordinance 17-589] either currently or upon annexation and those properties zoned B-1 “Central Business” within the City’s local historic district as identified in the City of York’s official zoning map.

“Development” shall mean the activity of improving a real property to the extent of adding value to the tax base through real property improvements, and the creation of employment opportunities.

“Goals” means the objectives of the City in offering the Incentives, which generally includes: (a) promoting the construction of new buildings or the rehabilitation of existing buildings within the Incentive Area; and (b) supporting the establishment of the categories of new businesses that will (i) significantly increase the overall commercial activity within the Incentive Area, (ii) attract the City’s residents and tourists into the Incentive Area and (iii) increase property values within the City as a whole.

“Incentive” shall mean a grant of any inducement having monetary value by the City that is offered to a person, firm, or corporation to pursue a Development that encourages private investment and/or the creation/retention of jobs. The Incentive may also include grants from other entities that the City may be able to obtain.

“Incentive Recipient” shall mean the private parties receiving the Incentives from the City.

“Job” shall mean each new (i) full-time position or (ii) each full-time equivalent position that is created as a direct result of the ongoing operation of a Development. For the purposes of calculating the number of Jobs created by a Development, only those employed at businesses directly associated with the Development at positions permanently located within the Incentive Area shall be considered.

Sec. 2-403 - Authorization

(a) Authorization to Grant Incentives.

The Council, at its discretion and on a case-by-case basis, but subject to the General Eligibility Criteria provided for in Sec. 2-405 herein, may enter into an Incentive Agreement (as defined herein) with a person, firm or corporation providing for Incentives in order to encourage and support the Development of real property within the Incentive Area.

(b) Incentive Agreements.

The Incentives shall only be provided to an Incentive Recipient after an agreement has been entered into between the City and such person, firm or corporation, which agreement shall set forth: the particulars of the Development; the Incentives to be provided; and sufficient assurances that the Benefits will accrue to the City and the Goals will be met by the Development (an “*Incentive Agreement*”). Pending the approval by the Council of any Incentive Agreement and subject to the provisions of Sec. 2-406 herein, the City Manager of the City is authorized to discuss the provisions of this Economic Development Incentive Program, aid in the completion of any Proposal (as defined herein) and, subject to the final approval by the Council, negotiate with the potential Incentive Recipient on behalf of the City. Each Incentive Agreement shall be approved by Council by ordinance. Council is authorized to provide Incentives in any amounts and for any period of time within the thresholds provided for herein or within the time periods and thresholds provided for in any applicable statutory authorization.

Sec. 2-404 - Authorized Incentives.

(a) Multiple Incentives.

The Council may provide to an Incentive Recipient any combination of Incentives provided for herein; provided, however, that the total amount of Incentives given to a Development must be in keeping with the Goals and the value of the Benefits accruing to the City (and its citizens) must be greater than the financial value of the Incentives to an Incentive Recipient.

(b) Incentives of the City.

All direct Incentives of the City shall be granted in the form of reimbursements and refunds of fees and taxes that have been duly paid to the City by the incentive recipient. No upfront abatements of fees or taxes shall be permitted. Where Incentives continue for a period of more than one year, such Incentives may be graduated to increase or decrease year-to-year as the Council sees fit, but subject to monitoring by the City to ensure compliance with the terms of any Incentive Agreement. The Council may, at its discretion and on a case-by-case basis, enter into an Incentive Agreement to reimburse or

refund any person, firm or corporation the following fees and taxes paid or generated by the incentive recipient up to the amounts and percentages provided for herein:

- (i) Up to 50% of the building permit fees collected by the City;
- (ii) Up to 50% of the business license fees collected by the City for as many as five (5) years;
- (iii) Up to 50% of the local hospitality taxes collected by the City for as many as five (5) years, but funds received through such incentive are to be spent only for purposes that are related to tourism, pursuant to S.C. Code § 6-1-730, and which have been approved by Council and included in the Incentive Agreement;
- (iv) Up to 50% of the local accommodations taxes collected by the City for as many as five (5) years, but funds received through such incentive are to be spent only for purposes that are related to tourism, pursuant to S.C. Code § 6-1-530, and which have been approved by Council and included in the Incentive Agreement;
- (v) Up to 100% of the cost of installation of public infrastructure (ie: water/ sewer lines, street lighting), in annual installments (without interest) in an amount not to exceed 50% of the equivalent amount of city property taxes collected for that year from the improvements subject to city property taxes; [Developer is eligible for reimbursements for improvements the first full calendar year after the year in which a Certificate of Occupancy has been issued and continue for a total of ten (10) years or until the reimbursement is complete, whichever occurs first.]; and
- (vi) Such other incentives that the Council, at its discretion on a case-by-case basis, determines are appropriate given the amount or type of investment made by the Incentive Recipient in the Investment Area.

Sec. 2-405 - Eligibility Criteria.

- (a) the Development is consistent with the City of York's Comprehensive Plan (as may be amended) and the City of York's Gateway Corridor Overlay District (as may be amended), as well as the Goals.
- (b) absent the provision of Incentives, the Development would be unlikely to occur or unlikely to occur at the level or scale contemplated by the developer.
- (c) the Development must be located within the Incentive Area, as defined in Sec. 2-402.
- (d) the Development must have a minimum threshold investment of one million dollars (\$1,000,000) (the "*Minimum Investment*"). The Minimum Investment may be comprised of any combination of (i) real property acquisition costs, (ii)

the costs of physical improvements to real property, (iii) or the costs of capital improvements to City infrastructure. The Minimum Investment may be calculated based upon investment in a single property or the cumulative investment in multiple properties, each within the Incentive Area. Where multiple uses or businesses are to be located within a single Development as separate businesses, the Council may, at its discretion on a case-by-case basis, allocate appropriate portions of the total investment in the Development to such separate business in order to allow such business to meet the Minimum Investment eligibility requirement.

- (e) the intended use of the Development must be for one or more of the following business purposes: (1) retail uses; (2) tourism-related business or activities; (3) cultural arts activities and associated businesses; (4) corporate headquarters; (5) research and development; (6) high technology growth businesses; and (7) other uses, as may be determined by the Council, that are consistent with the Goals, the Comprehensive Plan and the Master Plan.

Sec. 2-406 - Specific Criteria.

The Council may, at its discretion and on a case-by-case basis, include within an Incentive Agreement any other eligibility criteria that must be met upon completion of a Development in order to ensure that the Goals are met and that the Development provides Benefits to the City (and its citizens) in amounts that warrant the implementation of Incentives.

Sec. 2-407 - Administration and Terms of Delivery.

- (a) Application for Incentives.

In order to be eligible for Incentives, a person, firm or corporation must submit to the City Manager a proposed set of Incentives for a Development (a “**Proposal**”). A form of the Proposal is attached hereto as **Exhibit A**. The Proposal must include a sufficient description of the Development, to include, without limitation, the following information: (i) identification of the property or properties on which the Development is to be located (the “**Subject Property**”) and any acquisition costs thereof; (ii) the estimated start date and completion date for any work to be performed on the Subject Property; (iii) a list of any physical improvements that are to be made to the Subject Property as part of the Development, including a good-faith estimate of the costs thereof; (iv) the then-current value of the Subject Property and a good-faith estimate of the value of the Subject Property upon completion of the improvements thereto; (v) a good-faith estimate of the number of Jobs that the Development is projected to create, including an estimate of the date upon which the estimated number of Jobs will have been created; (vi) a statement affirming that, based upon any acquisition costs for the Subject Property, along with good-faith estimates for the costs of physical improvements and the number of Jobs created, the Development will meet or exceed the Minimum Investment requirements of Sec. 2-405(d); (vii) a good-faith estimate of other revenue for the City that will be created

as a direct result of the Development, including anticipated business license fees, additional property tax revenue, capital improvements to City-owned infrastructure and utilities revenue; and (viii) any other additional information that the Incentive Recipient or the City Manager deems may be necessary and helpful for the Council to evaluate and give due consideration to the Proposal.

(b) Determination of Incentive Amounts.

The amount of Incentives granted to a Development shall be based upon the amount of the capital investment in the Development, the amount of new revenue for the City directly created by the Development and the number of new Jobs that will be directly created by the Development. The amount of Incentives granted to a Development shall in no case exceed the value of the direct and indirect benefits of the Development to the City. These amounts shall be expressly included within any Incentive Agreement.

(c) Certification, Commencement and Continuation of Incentives.

(i) No Incentive shall commence or be given until such time as the Development has been issued a Certificate of Occupancy and/or a business license as well as a certificate that all terms and benchmarks included within the applicable Incentive Agreement, including without limitation benchmarks for capital investment, property valuation, and Job creation (the “*Benchmarks*”), have been fully achieved or otherwise completed.

(ii) Where Benchmarks, such as the number of Jobs created, are to be met continuously over a period of time, the Incentive Recipient shall provide to the City, on an annual basis, sufficient proof that the Development has continuously achieved or otherwise complied with such Benchmarks.

(iii) If, at any time after completion of a Development or at any time within the period of time during which a Development is granted Incentives, a Development fails to achieve or otherwise comply with a Benchmark, the Council may, at its discretion and on a case-by-case basis: (1) declare the Incentive Agreement null and void and refuse to grant any future Incentives; or (2) decrease the amount of Incentives based upon the actual direct and indirect Benefits of the Development to the City and its citizens.

Sec. 2-408 - Administration of Incentives and Incentive Agreements.

The administration of the application process, specifically including the drafting of any Proposal, and continuous monitoring of Developments pursuant to applicable Incentive Agreements shall be the responsibility of the City Manager and any person designated to oversee such process by the City Manager.

Section 3. If any section, subsection, sentence, clause or phrase of the Economic Development Incentive Program or this Ordinance is, for any reason, held or determined to be

invalid, such decision shall not affect the validity of the remaining portions of the Economic Development Incentive Program and/or this Ordinance.

Section 4. Nothing in this Ordinance or in the Economic Development Incentive Program hereby enacted shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause of causes of action acquired or existing, under any act or ordinance hereby repealed; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 5. All ordinances or parts of ordinances inconsistent or in conflict with the provisions of this ordinance are hereby repealed to the extent of the conflict or inconsistency. This Ordinance and the provisions of the Economic Development Incentive Program shall take effect immediately upon its enactment by the Council.
