

## **ADVERTISEMENT FOR BIDS**

City of York  
York, South Carolina

Fishing Creek Wastewater Treatment Plant Improvements

### **General Notice**

The City of York (Owner) is requesting Bids for the construction of the following Project:

Fishing Creek Wastewater Treatment Plant Improvements

DF Job No. 040115.00

SCIIP Grant No. A-23-C216

Bids for the construction of the Project will be received at the City of York Town Hall located at 10 N Roosevelt St, York, SC 29745 until 2:00 PM local time, January 16, 2024. At that time the Bids received will be publicly opened and read.

Bids must be submitted in sealed envelopes and clearly marked "DF Job No. 040115.00 - Fishing Creek Wastewater Treatment Plant Improvements" on the outside for easy identification by the Owner and the Engineer. Bids Submitted by mail, Federal Express, United Parcel Service, etc. must meet these same requirements and should be addressed to Owner's Office.

The Owner's Office is:

City of York  
Ben Wright  
Director of Public Utilities  
P.O. Box 500  
10 N. Roosevelt Street  
York, SC 29745

This project is funded in whole or in part through the SC Infrastructure Investment Program (SCIIP). All SCIIP program requirements, schedule deadlines, federal terms and conditions, and other applicable components of the SCIIP grant requirements are applicable to this project. The Project includes the following Work:

Improvements to the Fishing Creek Wastewater Treatment Plant, including one new mechanical screen, refurbishments to existing mechanical screen, electrical improvements to influent pump station control building, and new septage receiving station. Replacement of equipment in two existing 45' diameter clarifiers, one new 65' diameter clarifier, replacement of existing scum pumps, and one new RAS/WAS pump. Replacement of equipment in two existing sludge holding tanks including mixers and coarse bubble diffusers with new blowers. Replacement of sludge dewatering equipment including new belt press, conveyor, wash water booster pump, and polymer feed system. Dredging and cleaning of the existing flow equalization basin, and installation of new effluent valve. Improvements to site lighting, and three new standby power generators. Replacement of original electrical gear, and replacement of fans, unit heaters, and other miscellaneous electrical/mechanical items.

Bids are requested for the following Contract: SCIIP Grant No. A-23-C216, Fishing Creek WWTP Improvements

### **Obtaining the Bidding Documents**

The Issuing Office for the Bidding Documents is:

Davis & Floyd, Inc.  
Katherine McKirahan, PE  
164 Milestone Way  
Suite 200  
Greenville, SC 29615  
(864) 527-9800  
[kmckirahan@davisfloyd.com](mailto:kmckirahan@davisfloyd.com)

Prospective Bidders may examine the Bidding Documents at the Issuing Office or the Owner's Office. Copies of the Bidding Documents may be obtained from the Issuing Office by following the procedure outlined below.

All Bidders shall be registered Document Holders with Davis & Floyd, Inc. To register, Bidders must submit a company name, company contact (name), valid email address, physical address, mailing address, telephone number, and request to be registered as an official Document Holder for this project. This requirement does not cost anything to prospective bidders, and is a system to support notification of addenda and other project communication to bidders.

Electronic copies of the Contract Documents are free and may be obtained by emailing [documents-flo@davisfloyd.com](mailto:documents-flo@davisfloyd.com).

Hardcopies of the Contract Documents will not be provided to Bidders. Bidders may order hard copies through a press of their choice, should they choose to do so.

Each Bid must be accompanied by a 5% bid security in the proper form and subject to the conditions provided in the Instructions to Bidders. A Performance Bond and a Payment Bond, each in the amount of 100% of the contract price will be required of each successful Bidder.

In accordance with Section 40-11-100 of the SC Code, Bids will be accepted only from properly licensed contractors for all general contracts costing \$30,000 or more and all mechanical contracts costing \$17,500 or more.

As part of the SCIIP Grant Program, all bidders must comply with all applicable state and federal requirements identified in the bid documents-including Disadvantaged Business Enterprise (DBE) goals. Bidders must implement procedures that ensure DBE firms are given opportunities for meaningful participation in subcontracts that are awarded. All contractors and subcontractors are required to be registered in the federal System for Award Management (SAM). Contractor must certify that all laborers and mechanics employed by contractors and subcontractors are paid prevailing wages, in compliance with the Davis-Bacon Act. Information on prevailing wages can be found at <http://www.sam.gov>. All contractors and subcontractors must submit the Grantee Debarment Certification as part of the SCIIP Grant Program.

**All bidders must provide documentation of active SAM registration included in bid. Registration or status can be confirmed through <http://www.sam.gov>.**

No Bid may be withdrawn for a period of 90 days after the actual bid opening date.

The Owner reserves the right to waive any informalities in bidding and to reject all Bids if it is in the Owner's best interest to do so.

**Pre-bid Conference**

A pre-bid conference for the Project will be held on December 13<sup>th</sup>, 2023, 10:30 AM local time:  
City of York, Fishing Creek WWTP  
2498 Ecology Road  
Rock Hill, SC 29732  
Info: (864) 527-9800

Attendance at the pre-bid conference is encouraged but not required.

**Instructions to Bidders**

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
