

To assist in the governing process, the City of York utilizes various Boards and Commissions. Each Board or Commission serves an important role and is comprised of citizens who are nominated and appointed by the City of York City Council.

Now Accepting Applications for Boards/Commissions

The City of York is now accepting applications for appointments to various Boards and Commissions. Applicants must be a City of York resident and have lived in the City at least one year. Council will discuss potential appointments during its April Work Session for the following expiring terms: Planning Commission and Board of Zoning Appeals. More information can be found in the application below.
